

Słupsk

THE YOUTH POLICY
STRATEGY OF THE CITY
OF SŁUPSK
IN 2018 – 2023

VISION

The city of Słupsk is full of young people. Modern, creative, progressive and developing in a sustainable and intensive way, following the voice of young people's needs. A city, that has a lot to offer when it comes to the number of possibilities, chances of finding a dream job, good reasons to stay in a hometown, ways of spending free time and many more.

MISSION

Our mission is to create such good living conditions for young people so that they would like to stay in the city.

WORK AND FUTURE

PROBLEMS WE HAVE:

- young people want to leave the city
- no life perspectives and possibilities

STRATEGIC GOALS:

- the youth stay in the city
- young people are well prepared for work

WHAT WE WANT TO DO:

- supporting education initiatives in terms of developing student's competences
- effective promotion of places providing free career counselling
- wider promotion of job offers and trainings
- supporting the education in key competences necessary in the labor market
- creating an attractive offer to live in the city

LEISURE TIME

PROBLEMS WE HAVE:

- no places for developing young people's interests
- they don't know about the events organised by city

STRATEGIC GOALS

- the youth participate more in the cultural life of the city
- young people know about the possibilities they have in the city

WHAT WE WANT TO DO:

- increasing the cooperation with non-governmental organizations
- effective promotion of activity by creating the active map
- promoting the participation of youth in artistic activities in the city
- supporting the creativity of young people and creating conditions for developing their interests
- supporting the volunteering, which gives a lot of opportunities to develop competences and acquire new skills and experience

HEALTH

PROBLEMS WE HAVE:

- a lot of young people don't feel well
- youth is not into sports

STRATEGIC GOALS:

- young people lead a healthy lifestyle
- sport gains young supporters

WHAT WE WANT TO DO:

- promotion of a healthy lifestyle through the meetings with specialists organised in schools
- increasing the awareness of young people about interesting places in the city
- effective promotion of different ways of recreation and sport
- promoting a healthy lifestyle through sport events
- cooperation with non-governmental organizations involved in leisure, recreation and sport animation in Słupsk

POLITICS AND SOCIETY

PROBLEMS WE HAVE:

- young people are not really interested in local politics
- young people don't feel that their voice matters

STRATEGIC GOALS:

- we decide together
- more young people are interested in the political life of the city (participation)

WHAT WE WANT TO DO:

- starting and taking care of the next Youth Council of the City of Słupsk
- supporting general social initiatives taken by young people
- increasing the importance of the young people's voice
- stronger cooperation with non-governmental organizations when it comes to acquiring external funds for the actions taken to improve the situation of young people
- cooperation with NGOs for creating a new, creative and open place for young people
